

Early Childhood Panel

Supporting Young Learners in a Post Pandemic World

**Virtual Panel
Discussion via
Zoom**

**Wednesday, April
21st**

6:00 - 7:00 PM

**Register at [http://
info.gemschicago.
org/events](http://info.gemschicago.org/events)**

Please join our interdisciplinary team of early childhood professionals for an evening of learning!

We hope you take advantage of this opportunity to discover strategies to ensure children ages 2-8 have the skills they need as they move from isolation to socialization.

The panel of experts promises to be engaging and informative. Following the presentation, our team will be available to answer any questions about early childhood education, the acclaimed IB Primary Years Programme, or a GEMS education.
